May 3rd, 2018

To all the parish employees, Council Members, local vendors and businesses, schools, and all those who participated in the live TV event on May 2nd:

I want to take this opportunity to thank all of you for your participation in this wonderful event to promote our whole parish. It gives me joy to know that we are capable of coming together to celebrate everything we have and are; to enjoy great seafood, to promote our local businesses, to highlight the achievements of our young people, and especially to show our deep appreciation for all the parish employees who make everything run smoothly day in and day out. WGNO News with a Twist has done a fabulous job of shedding light on many facets of our parish's abundant gifts, and we will continue to collaborate with them to help support our economic development efforts. I offer my sincere thanks and best wishes to all who participated, as well as those who supported this effort but could not be present. I hope to make this an annual event in order to promote our great parish and to thank our employees who make it all possible.

Sincerely,

Amos Cormier

Plaquemines Parish President
