

**TEAMING  
TO WIN**

# SUBCONTRACTOR & VENDOR FAIR

You are invited to attend a workshop for local businesses interested in opportunities for site prep and early works on the **Gulf Coast Methanol Park** project. McDermott will introduce direct and sub-tier opportunities with the prime contractors bidding early work and present its supplier and subcontractor eligibility process, followed by networking and questions. IGP Methanol and McDermott will **prioritize local businesses** with home office locations in Plaquemines Parish, Louisiana. This event is not a job fair for individuals.
