COASTAL CONNECTIONS

We know that you've experienced firsthand the effects of coastal land loss, but did you know that since 2008 the state has invested billions of dollars in protection and restoration efforts in coastal Louisiana?

Come connect with staff members from Louisiana's Coastal Protection and Restoration Authority to learn about the Mid-Barataria and Mid-Breton Sediment Diversions - projects that will reconnect the Mississippi River to its basins to rebuild and sustain the wetlands.

WHAT: COASTAL CONNECTIONS

WHEN: APRIL 25, 2019 / 4:30 PM - 7:00 PM

**WHERE: BELLE CHASSE AUDITORIUM
8398 LA-23, BELLE CHASSE, LA 70037**

Coastal Connections is your opportunity to sit down with us in an informal setting at your convenience, ask questions, pick up educational materials, and provide feedback on how we can better work together to restore our coast.

TOGETHER, WE CAN RESTORE OUR COAST FOR FUTURE GENERATIONS.
