

LOUISIANA DISASTER CASE MANAGEMENT PROGRAM

Are you having trouble recovering and in need of assistance after Hurricane Ida?

While many programs are available to assist with disaster recovery, Hurricane Ida survivors may still need help recovering from the storm. The Hurricane Ida Disaster Case Management Program (DCMP) connects survivors with available resources and provides free advice to help meet their remaining needs. The program has created regions where case managers can offer localized help.

Who should apply?

Anyone with remaining needs who lived in or was employed in one of 25 eligible parishes that was affected by Hurricane Ida.

Ascension, Assumption, East Baton Rouge, East Feliciana, Iberia, Iberville, Jefferson, Lafourche, Livingston, Orleans, Plaquemines, Pointe Coupee, St. Bernard, St. Charles, St. Helena, St. James, St. John the Baptist, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, Washington, West Baton Rouge, West Feliciana
